3. POSTPONEMENT OF OPENINGS

A bid opening may be postponed by the College, even after the time scheduled for bid opening, if the College has reason to believe that the bids of an important segment of bidders have been delayed in the mail, or in the communication system specified for transmission of bids, for causes beyond their control and without their fault or negligence (e.g., flood, fire, accident, weather conditions, strikes, or College equipment blackout or malfunction when bids are due); or emergency or unanticipated events interrupt normal College processes so that the conducting of bid openings as scheduled is impractical. At the time of a determination to postpone a bid opening, the new time and date shall be communicated by issuance of an addendum to the prospective bidders who are likely to attend the bid opening. In the case of urgent College requirements precluding the communication of an addendum, the time specified for opening of bids shall be deemed to be extended to the same time of day specified in the bid on the first workday on which normal College processes resume.
