

ADMISSION SELECTION POINTS WORKSHEET

Sandburg's LPN to RN articulation / associate degree nursing program

The LPN to RN articulation nursing program has limited enrollment and a selection process for admission. After all admission eligibility requirements for placement into the selection pool have been satisfied and you've applied online for the program, the following point system is used for selection into the program. Top scorers receive conditional admission in ranking order based on seats available. All other eligible applicants are placed on an alternate list in ranking order. If students have the same total point count, they're ranked according to the date/time the nursing application was submitted.

Applicant name: Student ID: Date:

VALUE TEST SCORES								
								TEAS score
•				21-22 = 1 pt				55-64.9 = 1 pt
·				23-24 = 2 pts				65-69.9 = 2 pts
1120-1279 = 4 pts				25-28 = 4 pts				70-79.9 = 4 pts
1280-1439 = 6 pts				29-31 = 6 pts				80-89.9 = 6 pts
1440 or higher = 8 pts				32 or higher = 8 pts				90 or higher = 8 pts

Although you may meet the eligibility requirements to apply to the LPN-RN program, your point total may not be enough for acceptance into the program. Contact your academic advisor at 309.341.5237 to discuss ways you might increase your point total and increase your chances of acceptance into the program in the future.

Instructions/notes for each section

- 1. Points based on your valid ACT, SAT or TEAS score. *Note: TEAS scores are valid for *two* years, SAT scores and ACT scores are valid for *five* years.
- 2. Points based on previous college-level coursework and college degree.
- 3. The point value you select should be based on your highest grade in the specified course. BIO 200, BIO 211, BIO 212 and MDT 100 are Sandburg course numbers. See the <u>Sandburg course catalog</u> for course descriptions. *All science courses must not have been taken more than seven years before the time of application (BIO.200, BIO.211 and BIO.212).
- 4. This is where you total up the points you've earned in sections A-C. (Note the maximum allowed for each section.)

A minimum of 4 points is required to be considered for the program.

You must have evidence of <u>satisfactory academic progress</u> to be eligible for financial aid consideration for the program. (If you're suspended from Sandburg, you're not eligible).
