

UPWARD BOUND MATH/SCIENCE

Giving back to our community through service is a key value of the Sandburg TRIO Upward Bound Math-Science Program. All UBMS students must complete a minimum of 8 hours community service per program year. To confirm attendance and participation in a volunteer activity, we ask the student to complete the form below. Thank you for your support of the Upward Bound Math-Science program. If you have any questions about the form or the community service, feel free to contact me.

Dr. Stephen Descalzo
Director, TRIO Upward Bound Math-Science
sdescalzo@sandburg.edu / 309.341.5272

Date of service	Total hours of service	Brief description of activity	Volunteer coordinator name (printed)	Volunteer coordinator signature

My signature below verifies my participation in the above-mentioned community service opportunities.

Student name (printed) Student signature Date
