

UPWARD BOUND MATH/SCIENCE

Giving back to our community through service is a key value of the Sandburg TRIO Upward Bound Math-Science Program. All UBMS students are required to complete a minimum of 15 hours community service per program year (August 1-April 1). To confirm attendance and participation in a volunteer activity, complete the form below. Thank you for your support of the Upward Bound Math-Science program. If you have any questions regarding the form or the community service, feel free to contact me:

**Randi Torrance**
